There is now a new swamy at the head of the Math, and a continuance of the allowance is prayed for. The M.C. states that as the Mysore Govt. are themselves conducting Santarpane at Tripati it is unnecessary to continue the payment of the allowance to the Math.

~~As a matter of fact~~, the Mysore Govt have been conducting Santarpane for a number of years past and the allowance in question is also being given for a long time past. For what special reasons, the M.C. is against the continuance of this allowance, it is not possible to make out.

Government of His Highness

The Humble representation of the following facts by Srimath Paramahansa Parivrajakacharya Eelayakoil Kelvi Appan Tiruvenkata Ramanuja Chikka Jiyangarvaru of Tirupati Mutta

Sir

A monthly allowance of Rs 8/- was being paid to the above mutta from the Muzrai department chattram of His Highness the Maharaja of Mysore from a very long time since the very commencement of the charities in this important place of pilgrimage more than a century back. Since the death of my predecessor Swamy in July 1928, the said allowance was held over for future payment, as the place was then vacant I was installed as the Presiding Swami of the Mutt on 7-11-28. I made several representations to the Peshkar and Muzrai Commissioner, and the allowance is not yet paid. As the same is not paid from June 1928, great difficulty is being experienced by the undersigned in conducting the daily Padiyarathana in the Mutt.

It may be noted, observed that this is one of the oldest Mutts in Tirupati having its origin from Sri Ramanujacharya and the above allowance is being given to the Mutt from a very remote time in consideration of the sanctity of the place, and the usefulness of the institution.

I request that the said allowance may be kindly ordered to be paid as usual including the arrears from June 1928. With prayers to Sri Venkatramana Swami to confer upon you His choicest Blessings

I remain

SIR,

In submitting herewith the correspondence relating to the payment of a monthly allowance of Rs.8/- to the Chinna Jeyangar's Matt at Tirupati, I have the honor to state that the Matt is in receipt of the said allowance for a very long time and the same is reported to be utilized for Sarthaparve in the Matha. But on account of the death of the late Swamigalu it has not been paid since June 1928. The new Swamy who was installed on 7-11-28 applied for the arrears of amount due to the matt and requested that the payment of monthly allowance might be continued as heretofore. As the Mysore Government are themselves conducting Santherpane at Tirupathi it is unnecessary to continue the payment of the allowance to the Matha.

Early orders of Government may kindly be obtained for the discontinuance of the allowance to the Matha.

I have the honor to be,

Sir,

Your most obedient servant,

SIR,

With reference to your letter No. 3436/Sub.Sec-26-2 dated the 19th re continuance of the annually allowed Rs. 6/- to the Sirur Jeeyangar's Matha at Arkalgud, I have the honor to state that a copy of the original order or other authority sanctioning the grant is not available. From the late Mr. Anantasa Rao's note dated 15th September 1901 in File No. 166 of 1900-01 it will be seen that the grant was in force in 1898 when the late Muzrai Secretary Rao Bahadur Mr. Arcot Srinivasa Char revised the scale of expenditure and distributed the total grant under several heads. From the enclosed original orders Nos. 325 dated 31st August 94 and 156 dated 7th August 94 issued to the then Head Peishkar of Arkalgud Chunitee in connection with the present Peishkar's Report No. 11 dated 26th July 1928 it is clear that the grants to the two Jeeyangars' Mathas were in force ever prior to 1875-76, that on account of the famine in that year, Inam was paid for 7 or 8 months from relief funds and thereafter the cash payment was continued and that from 1st September 1894 the allowance in cash was raised from 11-7-10 & 7-10-8 Rs. 15 and 10 to the two Jeeyangars and Chika Jeeyangar Mathas respectively. The word *ennaru* occurring in the ninth line of the order of 31-8-94 connotes that the Mattas were enjoying this privilege from time immemorial. The original papers leading to these orders which are contained in the records of the late Muzrai Secretariat may perhaps give information in greater detail.

As these grants to the mathas are being paid for a very long -- time in addition to feeding in the Chattram on the Hills the -- matts deem the grant an honor though the amount may be small. The circumstances of the grant came into question only on the death of the Swami of Chick Jeeyangar Matt when the grant was held over for future payment.

A successor having been duly appointed, the present Swami is making repeated requests for the payment of the grant which has been in arrears from January 1928. I beg to recommend -- that in view of the previous records and in consideration of the venerable object for which the grant was made i.e. conduct of -- certain daily services in the matt, the grant may be kindly --- continued and early orders passed for its payment together with the arrears. There is due provision for this in the sanctioned scale of the Tirupati Charities.

I have the honor to be,

Sir,

Your most obedient servant,

R. Narasimha Ayyangar.
